The band and guard are performance-based classes. As such, students are required to attend all scheduled performances. A non-excused absence will result in a lowered grade. An absence will be excused due to illness or a family emergency and makeup work will be assigned. Students must bring a note signed by a parent or guardian with an explanation of the absence.

If you have any questions, concerns or conflicts with the above schedule, please speak with me about it so that we may take the proper steps to resolve them.
